

iPad Teacher Use Policy

I understand and agree to abide by the following:

- This iPad is owned by Alpine School District and is issued to me for use in teaching and learning.
- The ASD Acceptable Use Policy (attached) applies to my use of this equipment at all times.
- I can use the iPad both within and outside of the physical school district, but because the iPad is intended for teaching and learning, I must bring it to my classroom every school day.
- I am responsible for the appropriateness of the content accessed with and stored on my iPad.
- I will set up an Apple ID tied to my district email account. The password for this account must be made available to the technology administrator upon request.
- If I enable any restrictions settings, I will make these passcodes available to the technology administrator upon request.
- I will log into the App Store, iTunes, or another app that requires an Apple ID using only the Apple ID that is tied to my district email account.
- I will not use my personal Apple ID (if I have one) on my ASD-issued iPad, and I will not use my ASD Apple ID on my personal iPad or other device
- I will not allow anyone else use their Apple ID to log into the App Store, iTunes, or another app that requires an Apple ID on my iPad.
- I will not connect my ASD-issued iPad to or sync it with a non-ASD computer.
- I will not use school funds to purchase apps using my ASD Apple ID. If I want to use school funds to purchase apps, they MUST be added by the technology administrator through the school VPP account.
- I will not attempt to rename the iPad or remove/bypass software that has been installed on the iPad for the purpose of monitoring it on the ASD network.
- Damage to or theft of the iPad must be discussed with administration and will be covered at the district's discretion. I will report damage to or the theft of my iPad immediately to designated district personnel.
- When requested by the district, or upon my separation as an employee of the district, I agree to return this iPad, cord, and case to designated district personnel in the same condition it was issued to me, less reasonable wear.
- If I fail to return the iPad and case upon request or upon separation as an employee of the district, I understand that the cost of replacing the iPad will be deducted from my paycheck.
